Your Role in Our Future

The Niagara Historical Society Museum is dedicated to the ongoing preservation of the unique history of Niagara-on-the-Lake, which has enriched the lives of residents and visitors alike for over 100 years.

As a non-profit institution, the Society relies on generous support from the community to expand and preserve its collections, while it endeavors to be a vital component of the community by interpreting the heritage of the Niagara Region.

I invite people who share our vision to make an exceptional commitment to secure the financial future of this worthy institution.

Join the Phoenix Circle and become part of the Niagara Historical Society & Museum, ensuring it’s vitality for future generations to enjoy.

Exploring our unique history and the Museum’s unparalleled collection

The Niagara Historical Museum is the first Museum in Ontario to be built solely for use as an historical Museum.

The collection was founded in 1897 and contains some of the most important examples of early Canadian history in the province.

Join us in protecting our collection and the history of Niagara-on-the-Lake!
